

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

We have endeavored to reach out to you regarding the curriculum updates through this Academic Planner each month. The new normal for curriculum transaction and assessment has upended the conventional education system and policies. The radical changes in academic cyberspace have created a new learning relationship in all schools. We have also embraced all changes, while leveraging the digital space to its optimum, to ensure constant learning for our children. In this context, we also express our gratefulness to you to help us keep online/offline classes afloat seamlessly during the pandemic.

However, in the last month, it is observed that the attendance in offline classes is not exciting as we had anticipated. This is rather disheartening! Here, we need to understand that the school environment offers to learn beyond the academic gambit, which enables each learner to develop skills, competence, conviction, and creativity along with core values. This is not possible in an online system alone. Therefore, please start sending your ward to school for offline interactions and assessments.

Term-I Examination of Classes X and XII will commence at the end of November 2021. The school will schedule another practice examination for X and XII in the time bracket of 13-20 November 2021. Internal practicals of these classes will also be held synchronously. We request the parents to ensure that their ward(s) does take the practice offline examination and practical at school before the Term-I examination. Further, for Classes I-IX and XI, the curriculum will be limited to three week-time as Deepawali vacation will be observed w.e.f. 03-06 November 2021.

Please do keep us posted on all your queries over the month, as each communication from your end enables us to understand the requirements of your ward(s) in this hybrid academic environment of Education 3.0.

Happy Celebrations!

With kind regards,

Class Teacher (s)
