

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

We appreciate your constant support to us for the academic progress of your ward(s). December is going to be a very decisive month for students from the point of view of their regular evaluations/assessments. Hence, it will be ensured that the students are provided with enough revision and practice before their online/offline examinations. The school teachers will be made available for any query of students, both offline and online, within the school hours before/during the examinations.

Class X and XII Term-I examinations are scheduled this month. Therefore, in the spirit of the board examinations, the main school building is reserved for the board examinations. Hence, Classes IX and XI will be organized in online mode till Class X Term-I examinations get over, on 11 December. Later, offline examinations of IX and XI will be organized in the school wherein the presence of all students will be mandatory. Please do follow with your ward(s) to practice the sample question papers, which will be provided shortly to them. Mock test for the students of IX and XI for Term-I examinations will be organized on 01 December 2021 within the school hours, only one subject each class, in order to make them understand the new format of assessment, based on OMR sheet.

The curriculum for I-VIII and X for this month is limited for ten-day duration, in accordance with number of working days in December. Classes IX and XI students are not being provided with any additional curriculum as these students would require practice and revision on the curriculum of their Term-I examinations. Class XII will receive 'nil' curriculum this month as their Term-I examinations are scheduled over the month.

Please see that your ward does take all assessments seriously and avoid any leave or being absent this month during hybrid/online classes and examinations.

Best wishes!

With kind regards,

Class Teachers

(Mrs Preeti Shrivastava , Miss Shivani Chauhan, Mrs.Shivangi Gupta)
