

## ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

Greetings of the New Year 2022!

Year 2021 was yet another year to check with our resilience and patience to embrace the changes in education due to Covid-19 pandemic. The threat is still looming large in our environment and hence it should be taken as the new World order in education wherein the prevention strategies such as doing regular hand washing, wearing masks, practising respiratory etiquette, following social distancing, taking Covid-19 vaccine jabs as per Government guidelines/directions, staying home when sick, getting tested when symptomatic, tracing contacts when Covid-19 positive and informing the authorities and the school in combination with self-quarantine and isolation, and cleaning and disinfection are to be followed.

For quality education, it is imperative that we continue with the pace of school teaching without any gaps. Our students have drawn nearer to the final phase of the academic session 2021-2022 and therefore, it becomes an utmost necessity on the part of both teachers and parents to ensure that the students stay focused and regular for their academics and resolve their queries subject-wise without any wait.

The month of January calendars Lohari and Makar Sankranti and we are sanguine that you will observe these celebrations and the opportunity for socialisation within Covid-19 safety protocol.

Moreover, the school will follow with the students in the age bracket of 15-18 years for their Covid-19 immunisation in the next few days.

Please feel free to communicate with us whenever necessary for any school related matters.

With kind regards,

Class Teachers
