

## ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

We thank you for your continuous support and encouragement to us during the Academic Year 2021-22.

February 2022 is going to be a very crucial month for the students. The curriculum is completed in all classes. We would now be conducting online/offline revision for all classes. A very few activities are also scheduled this month that will be organized as per February Month Activity Planner.

First Pre-Board of Classes X & XII, Periodic-III of Class IX, and UT-II of Class XI are scheduled from 11 February 2022. Along with regular online/offline classes, a few special/remedial classes for IX, X, XI, and XII students with definite individualized learning plans will be organized in offline/online mode. Students' attendance in these classes is mandatory as these classes will focus upon segregated topics/curriculum and specific board exam-related queries. The school faculty will ensure that a few exam-related techniques are also provided to the students. These classes would also enable the students to review their exam-strategies as they will interact with the teachers on specific topics wherein their performance has not been found up to the mark.

Further, the final exams of classes I to VIII are scheduled to be starting from the third week of February 2022. These exams will be conducted in online mode. The school will ensure that the students of these classes are provided with enough revision, practice, and discussions on each subject. The blueprint and syllabus will be aligned with the CBSE Board Examination pattern. Therefore, the student's performance will be evaluated within 30-50% curriculum: 30% Curriculum for Classes I-II, and 50% Curriculum for Classes III-VIII. The question papers will be subjective/theoretical and not MCQ.

A monthly worksheet based on the Annual/Periodic Exam Curriculum will be provided to your ward in the first week of February 2022 for Pre Board, Periodic/UT, and final exam practice and revision. The parents would also be provided class-wise orientation by the Class teachers in the first week of February 2022 on the exam-related requirements.

Parents are requested to ensure the regular attendance of their wards for both offline and online classes. Further, they would ensure that their wards prepare a self-study schedule and wisely plan the exam days. We would again bank upon you for proper invigilation of your ward during the online exams to conduct these exams with fairness and transparency.

Wishing the students good luck for their last legs of exam preparations and all the best for their final examinations!

Best wishes!

Class Teachers(s)

(Mrs.Poonam Wadhwa, Ms.Neelima Tomar, Mr.Dharambeer Singh, Mrs.Chanchal Sharma, Mr.Dayal Thakur, Mrs.Jyoti Singh, Mr.Devendra Singh, Mrs.Shubhra Bhatnagar)
