

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

Greetings of the New Academic Session 2022-23!

New academic session will begin wef 01 April 2022. Classes will be conducted in hybrid mode for I to VIII till 15 April 2022, as there may be organised COVID-19 vaccination drive for the students below fourteen years during the first fortnight of the month. Subsequently, the school may organise only offline classes as per the prevailing conditions and the status of vaccination of the students. However, classes IX, X and XII will be held offline only, at school.

Initially, the curriculum will be limited to a period of two weeks only so that first week could be devoted for bridging the gaps between classes in order to ensure seamless transition for each student to his/her new class. It will enable them to connect with the curriculum of their respective new class with ease. You are requested to use this interregnum period for the procurement of uniforms, textbooks, notebooks, stationery and other things for your ward(s).

Time table for hybrid classes of I-VIII and offline classes of IX, X and XII will be circulated on 30 March 2022 for your information and follow-up. Please do ensure that your ward stays regular from the first day of the new academic session.

In addition, the previous batch of X and XII, session 2021-22 will get preparatory leave wef 01 April for their III Pre Board, which will start wef 05 April 2022 to 16 April 2022. Later, two contact classes each day, for the students of X, academic Session 2021-22, will be planned online in the evening w.e.f. 18 April 2022 till the end of their Term II examinations, as per their academic requirements. However, Class XII students of the session 2021-22 can have extra classes at school itself during the regular school timings. They can contact the subject teachers to report to school as per their academic requirements.

With kind regards,

Class Teachers
