

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

The academic year 2022-23 has started rolling. We are sure that your ward(s) must have settled in his/her classes by this time.

Due to summer temperatures soaring high and uncertainty for regular offline classes in May, we are not proposing any curriculum for the students of I-VIII. We would rather reinforce the curriculum of April 2022 to provide revision on important topics. This will also help the students admitted over the last month and hence they were not in attendance for all days. The objective is to bridge the gaps and that is how to enable each child to be on equal footing for learning from July onwards.

We are proposing a one week curriculum for the students of IX, X and XII as these senior classes require a bit of momentum in the curriculum completion earlier than other classes.

Activities for the students have also been cut down in May due to extreme weather conditions and even regular sports classes will be organized within closed walls, focusing more on the theory of sports or general quizzes/reading.

The summer vacation is proposed from 12 May to 30 June for the students of I-IX. However, for the students of X and XII, extra Classes will be organized from 21-30 June 2022. You may plan your vacation time accordingly. The students will be provided with Summer Vacation Assignments, which will be fun and activity based learning, keeping them active and observant. These assignments will be used for internal assessments/portfolios.

We are sure that through our collective efforts, the learning of our students will go on unhindered. We request you to keep us posted at all times on the progress of your ward in academics and co-curricular areas.

Wish you and your family a happy time together during the vacation!

With kind regards,

Class Teacher (s)
