

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

Happy New Year 2023!

The month of January is very decisive for each of our students as it sets the momentum for the final preparation, leading up to their Annual examinations in February and March 2023. Practical examinations of XII are also scheduled this month, which will be completed within, as Annual Examinations of X and XII will begin in February 2023. Further, II-Pre- Board of Classes X and XII will go on as per the schedule in the Activity Planner, and III-Pre-Board for the two classes will be scheduled in the first week of March 2023, if required, for the limited students, who require remedial measures and yet another practice for the Board Examinations.

The month of January is also interspersed with a few community festivities, activities and celebrations like Lohari and Kite flying, Alumni Meet, and Republic Day. Hence, it is requested that we together should keep the tabs on our students so as to help them stay focused on their academics and be regular in school.

We have also scheduled extra classes by outsourced faculty of a few coaching institutions of Gwalior for the students from IX to XII, from 26 December onwards, which will continue in the month of January 2023. The idea while bringing these outsourced teachers on board along with school academic staff is to provide our students another perspective on some segregated topics, already covered in the syllabus, so that our students can understand such topics once more with clarity. Hence, the student attendance for these extra-classes is mandatory.

With kind regards,

Class Teachers

(Mrs.Geetika Arora, Ms.SaundaryaJoshi, Mrs.Mayuri Tripathi)
