ACTIVITIES OF THE STUDENTS

(A) REPORT ON GANGA UTSAV – A RIVER FESTIVAL 2021

Every year on 04 November 'Ganga Utsav' is celebrated with the aim to establish a strong public-river connect specially with Ganga and its ecology. This year The National Mission for Clean Ganga (NMCG) celebrated this festival from 01 to 03 November 2021. Army Public School, Gwalior celebrated 'Ganga Utsav-River Festival' on 02 November 2021. The students of Classes XI and XII participated in this festival enthusiastically. On this occasion, they made drawings, paintings and wrote slogans.

The celebration sensitised the students on conservation of the sacred rivers and aquatic biodiversity. It also encouraged and motivated the youth for action to protect and restore ancient Indian rivers. HOD Social Science Mrs Sunita Bhadauria PGT History coordinated the event.

REPORT ON GANGA UTSAV – A RIVER FESTIVAL 2021

(B) REPORT ON THE CELEBRATION OF NATIONAL EDUCATION DAY 2021

The National Education Day was celebrated in Army Public School, Gwalior on 11 November 2021. The National Education Day is celebrated as the Birth Anniversary of 'Maulana Abul Kalam Azad' the first Union Minister of Education. He was a great freedom fighter and an eminent educationist and is remembered for his immense contribution towards the cause of education in India. HOD Social Science Mrs Sunita Bhadauria PGT History coordinated this event. The students of class XI & XII wrote Essays and Slogans. A few students prepared cards and made drawings & paintings depicting the importance of education in human life. The celebration of National Education Day aims at creating awareness among the students on the importance of literacy and education for the progress of the nation.

WEBINAR NO. 39- CASE STUDY “AN APPROACH TO UNDERSTAND THE GIFTED”

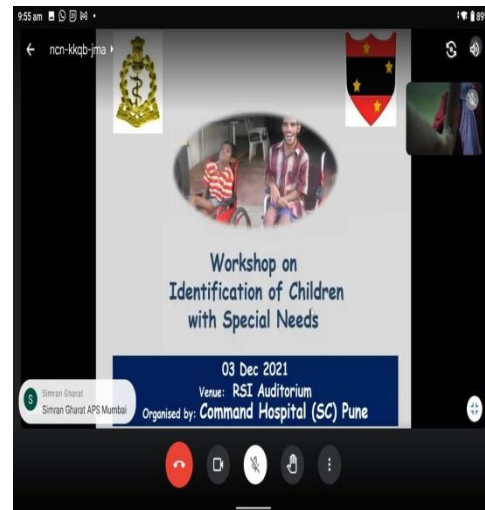

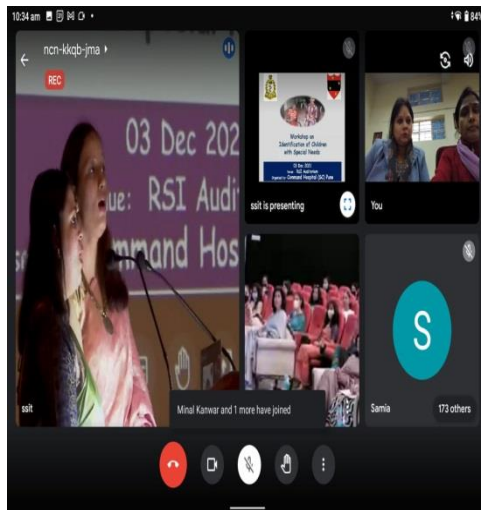

(C) WORKSHOP ON IDENTIFICATION OF CHILDREN WITH SPECIAL NEEDS

An enriching workshop on Identification of Children with Special Needs was organized by HQ Southern Command Pune on 03 December 2021 on the occasion of International Day of Persons with Disabilities. Mrs Chandrakala Soni, Primary Wing Coordinator and Mrs Swati Bhambore, Special Educator of Army Public School Gwalior participated in this online/offline workshop.

The workshop was an eye opening session for all. It started with the session of renowned practicing pediatric neurologist Lt. Col. Sachendra Badal and Child and Adolescent psychiatrist Col Arun Singh Yadav along with ENT and neuro-otology Lt. Col. Abha Kumari Command Hospital (SC) Pune.

The theme for the workshop was Early Detection and Early Intervention for successful outcomes. Resource persons sensitized the learner educators with signs to identify the disabilities in children.

They also advised all to understand the need of changing perspective towards children with disabilities, rather than looking what the child cannot do. The educators must try and do what they can do for the development of the child. Teachers must take the initiative to orient parents on the importance of early identification followed by successful management of the disability. Various case management studies were also presented there to provide deeper understanding to all on different kinds of disabilities.

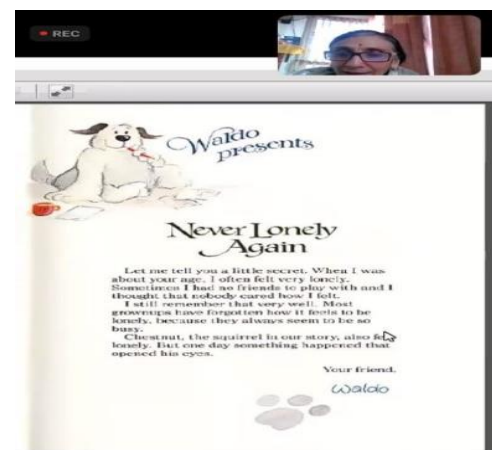

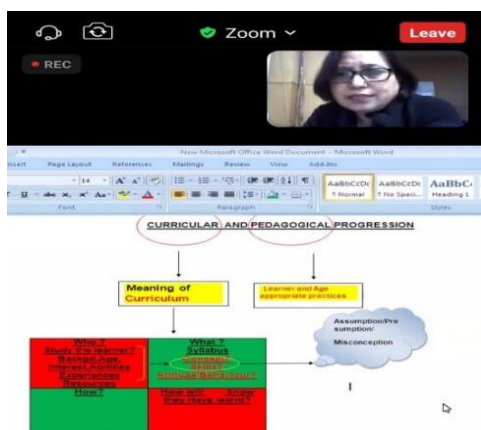

WORKSHOP ON IDENTIFICATION OF CHILDREN WITH SPECIAL NEEDS DATE

(D) WEBINAR 40 - GENERAL WORKSHOP FOR PRT (L2) TEACHING PREPARATORY LEVEL CLASS III TO V

Outside the standard framework of any educational curriculum, there are endless opportunities for teachers to learn new skills and ignite new passions. Keeping this in view, FDRC always conduct workshops for teachers across India. In this regard, Mrs Nisha Bais PRT and Mrs Neelam Bhadoria PRT received a learning opportunity to attend the FDRC General workshop for PRT (L2) Teaching preparatory level for class III to V, held from 29 November to 03 December 2021.

FDRC faculty members presented well-structured and in-depth presentations on various relevant topics like Developing Scientific Temper in Primary Classes III- V, Teaching of English at Primary Classes Class III -V, Learning Phonetics in the Primary Classes III -V, Activity and Teaching Learning Material in Mathematics at Primary Classes III-V, Innovative Pedagogy-Inquiry based Learning, Teaching Problem Solving Skills in Mathematics at Primary Class III-V, Teaching of EVS at Primary Classes III-V.

This workshop equipped the participant teachers with knowledge and ideas for an active and vibrant classroom.
