

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

1. Every parent dreams of his/her ward to reach the zenith of his/her personal and professional life. To make him/her realize his/her dream, it is imperative on our part to understand our roles with responsibility, which is very crucial in shaping the genius of our children. It is believed that the learning environment each child requires is managed and created to a greater extent by the family and parents, and partially by the school. Nevertheless, their collaboration does magic as it benefits the children to use their knowledge, skills and talent to its optimum.
2. In the present time, after another resurgence of Covid-19 cases in large number in the city, it seems that the present generation may lose a greater amount of their education due to very unsafe and hazardous environment around us for our health and well-being. Moreover, apprehensions have yet again surfaced that in-person classes of our children may not be possible in near future and would remain suspended till October 2021. This anticipation is based on speculation at the moment while the whole Nation is combating the deadly Corona virus with all its might and resources.
3. Therefore, it is requested yet again that you would extend your due support to the school academic staff through regular communication with the school teachers, Vice Principal and the Principal for the continuous supervision of your ward at your end, his/her regularity and punctuality in online classes and assessments and quality monitoring of his/her studies in home environment. Your being on board with the school teachers for the education of your ward will help the school administration and the Management to ensure that no child is at any disadvantage during the pandemic and they do not lose anything during this academic year.
4. To maintain the continuity in their studies during the pandemic, we have decided to cut down the summer vacation this academic year too. For the Classes I to XII, Summer Vacation will start w.e.f. 1st May to 30th May 2021. For the interregnum period when the students will not in regular contact with teachers, the school is providing them Home Assignments class-wise on each core subject and activity subject so that their time is utilized for their independent studies and creative engagements. Therefore, I urge you to extend all possible help to school for the quality education of your ward. We will appreciate each communication with us on class-wise Whatsapp platform or over phone, in case of any urgency.

Stay Safe, Stay Indoors, Follow Covid-19 protocols,

Avoid any family function, gathering or visiting outstations,

Stay Happy and Spread Happiness and Hope!

With kind regards,

Class Teachers

NOTE – H.W of all the subjects has to be done in a common notebook.

SUMMER VACATION ASSIGNMENT

Subject: Life Skill Activities

Assignment No.: 2

Allotment Date: 03/05/2021

Submission Date: 01/06/2021

Apart from education and activity classes, it is also important that children learn some life skills.

- * These teach them that no work is too small.
- * They help them to be organized.
- * They make the children independent and confident.
- * Not only do they build good work ethics but also make them feel important, helpful and even responsible.

Here is a list of activities that your children should be encouraged to do during the vacation.

Make their beds and tidy their rooms

This habit is more than just a chore. When the bed is set straight and the room is neat, it brings peace into the room. It means the day has already begun on a productive note.

Meal Time Help

Have the children help set the plates, cutlery and the dishes and helping to clear away after the meal.

Putting away the Laundered Clothes

They can help to fold small clothes like socks, handkerchief, vests, undergarments and stacking them in the correct place. This teaches them to be accountable. They know where their things are kept so they won't bother you.
