

ARMY PUBLIC SCHOOL, GWALIOR

Dear Parents,

October is a crucial time for students as it marks the middle of the fall session and onset of our Indian festivals. This planner is designed to provide you a comprehensive overview of your syllabus to be covered in this month and related resources to excel in your studies and maintain a healthy work-life balance.

October also reminds us of the power of non-violence and peace, victory of good over evil and celebrations like Gandhi and Shastri Jayanti, Durga Puja and Dusshera. Students would have both a refreshing autumn break and many religious and social events.

October is the month for academic progress, and this planner is your guide to stay organized and on top of your studies. Remember, that's how we learn to create life-work balance too! With determination, effective planning, and self-care you can make the most of October and set yourself up for success in the month ahead.

Happy celebrations!

With kind regards.
