

ARMY PUBLIC SCHOOL, GWALIOR

Dear Parents,

The month of November brings to all of us the festival of lights 'Deepawali'. This festival teaches us the victory of good over evil and the power of endurance and perseverance. Endurance is the ability to persist through challenges, difficulties, and setbacks without giving up. It's the strength to keep going, even when the going gets tough. At APS Gwalior,, we believe in imparting not only academic knowledge but also inculcating core values that shape our students into responsible , compassionate, and resilient individuals. The school has been imparting these values to the students as they are the cornerstone of character development and are essential for success in both personal and professional life.

In addition, the school has tried to provide adequate exposure for other activities in the last few months and will continue to do so till December for all Classes, except X and XII to ensure an environment of learning beyond the routine academics, which will enable each learner to develop skills, competence, conviction, and creativity along with core values. The next few months are very decisive for the Board Classes and therefore we would require you to have good communication with each of our teachers regularly about the progress of your ward. Please do keep us posted on all your queries over the month, as each communication from your end enable us to understand the requirements of your ward(s) for better academic engagement.

Please stay vigilant during the festival time and ask your ward to be careful while bursting crackers and doing any other kind of fireworks.

Wishing you all a happy and prosperous Diwali

With kind regards,

Class Teachers
