

ARMY PUBLIC SCHOOL, GWALIOR

Dear Parents,

As we step into the month of December, we find ourselves at a crucial juncture of the Academic Year 2023-24. The syllabus for the board classes has been successfully completed, marking the culmination of months of hard work and dedication. Now, it's time for our students to shift their focus towards diligent exam preparation. This month is of paramount importance for our students of X and XII classes as they will consolidate their knowledge and sharpen their skills to prepare themselves for the upcoming examinations. Teachers are likewise committed to providing guidance, resources, and support to them to ensure that each student is well-equipped in time to showcase their academic prowess in the Board examinations.

For the students of Classes I-IX and XI, limited curriculum in core subjects is being proposed due to some scheduled events this month. Here, we are thrilled to announce that our much-awaited Annual Function is also scheduled this month, along with one sports event. Therefore, the month will not only celebrate and assess the academic learning of the students of X and XII but also provide many students from each class with a platform to showcase their talents, creativity, and collaborative spirit.

We encourage parents, guardians, and the entire school community to join us in supporting our students to prepare hard for the Board Examinations, to celebrate their achievements and also to participate wholeheartedly in the events this month. Together, let us make December the month of academic excellence, camaraderie, and unforgettable moments.

With kind regards,

Class Teachers
