

ARMY PUBLIC SCHOOL, GWALIOR

Dear Parents,

Wishing you a joyful New Year in 2024!

January holds great significance for our students, serving as a crucial period that shapes their momentum leading up to the Annual examinations in February and March 2024. Additionally, practical examinations for class XII are slated for this month, adhering to the timeline set by CBSE. The Board Examinations for classes X and XII are scheduled to commence in February 2024. To ensure preparedness, students will engage in comprehensive review sessions, revisiting key concepts, and tackling sample papers. Specialized sessions led by experienced external faculty during the winter break will cater to the specific needs and challenging topics of the Board classes. Students are advised to maintain a well-balanced schedule, prioritize self-care, and ensure adequate sleep for optimal cognitive function. Regular self-assessment is encouraged, allowing for the adjustment of study strategies as needed. It is recommended to stay organized with a detailed study plan, utilizing tools such as calendars or planners. A proactive and organized approach is key to successful exam preparation during this critical period.

January also brings with it the celebration of national festivals such as Republic Day and various community festivities like Lohari, Sankranti, and Kite flying. As part of the educational experience and learning, the school will organize an Educational Trail immersed in the vibrant festivities of Lohari for classes XI and XII on January 13, 2024. This trail will promise an experiential journey into the heart of Lohari, celebrating the rich tapestry of Punjabi culture and the spirit of community. Participants will have the opportunity to deeply connect with the state of Punjab and the Lohari festival through a blend of education, hands-on activities, and celebration.

With kind Regards,
