

ARMY PUBLIC SCHOOL GWALIOR

Dear Parents,

As we step into the month of February, our focus turns towards the upcoming annual exams. We believe that a structured approach to preparation is key for our students' success. Here's a brief overview and some guidelines to help both you and your child navigate this crucial period.

Annual Exam Theme-This February, our educational journey is centred around effective preparations for the upcoming annual exams. We encourage an environment that fosters focus, discipline, and a positive mind-set towards learning. Help your child identify specific goals for each study session. This will provide a sense of direction and accomplishment. Break down study sessions into manageable chunks, with breaks in between to avoid burnout. Short, focused sessions tend to be more effective. Ensure a balanced approach by dedicating time to each subject daily. This helps in retaining information and prevents last-minute cramming.

Healthy Lifestyle- Ensure your child maintains a healthy lifestyle with sufficient sleep, nutritious meals, and regular physical activity. A well-balanced lifestyle positively impacts cognitive functions. Remember, each child is unique, and it's essential to tailor the study schedule according to their individual needs and learning styles. Your support and involvement in this process play a crucial role in your child's academic success.

Thank you for your collaboration in making this annual exam preparation a positive and constructive experience for our students.

With kind Regards,

Class Teachers

(Mrs Renu Tomar, Mrs Rinku Ramani, Mrs Swati Chandel)
