

## ARMY PUBLIC SCHOOL, GWALIOR

Dear Parents,

I hope this message finds you well. As we embark on the month of April, I would like to extend a warm welcome back to all our students and staff as we resume classes after a brief hiatus.

I am pleased to announce that the Army School will reopen its doors on April 8th. This decision has been made due to some administrative constraints which have now been resolved, allowing us to continue providing a conducive learning environment for our students.

For the upcoming fortnight of April, we have carefully curated a comprehensive syllabus to ensure that our students receive the necessary education and guidance. Our dedicated faculty members have prepared engaging lesson plans aimed at fostering both academic excellence and holistic development.

Our priority remains the convenience and comfort of our students, and we have taken every measure to ensure that they have access to all necessary resources for their educational journey.

As part of our commitment to environmental stewardship, the theme for this month is Earth Day. Throughout April, we will be organizing various activities and initiatives to raise awareness about environmental conservation and sustainability. I encourage all students to actively participate and contribute towards making our planet a greener and healthier place for future generations.

In alignment with our theme, the deed of the month is 'Save Earth.' We believe that small actions can make a big difference, and we urge our students to engage in environmentally-friendly practices such as reducing waste, conserving energy, and promoting biodiversity.

As we embrace the opportunities that April brings, let us reaffirm our commitment to excellence, integrity, and community service. Together, let us strive to make this month a fulfilling and enriching experience for all.

Thank you for your continued support and cooperation.

With kind regards,

Class Teacher(s)

(Ms. Deepti Bisen, Mrs. Beenu Kumari, Mrs. Nisha Bais, Ms. Anamika Sikarwar)

Class - II

Academic Plan

April 2024

(Sections: Daffodils, Lily, Lotus, Marigold)
